As the principal supplier of business to the luxury sector of the market, Southern Crossings' buying power enables its clients to enjoy the most competitive prices tailor-made experiences. Southern Crossings acts as an independent advocate when planning itineraries to ensure the ideal solution is found for all clients holiday requirements. The company's knowledge, experience, up to date information and care are your guarantee for the ultimate experience.

Southern Crossings' Stuart Rigg and Trevor Thomas are delighted to have been welcomed on to the highly coveted Conde Nast Travel Specialists' List. Following a rigorous screening process, including extensive interviews and client references, only a handful of travel specialists globally are added to the list each year. The Conde Nast Travel Specialists are recognised for their destination savvy and ability to provide clients with unrivalled experience for their money.

Australia / New Zealand – Southern Crossings

Our History Southern Crossings, established in 1986, has showcased the best of what New Zealand, Australia and the South Pacific has to offer for the discerning traveller over twenty plus years. The company was established to cater for the requirements of travellers requiring tailor-made itineraries personally created to reflect their own personal interests, preferred level and style of accommodation with attention to detail to ensure and guarantee a seamless travel experience. Travel at this level has become a precise science - all about the individual.

Activities You can choose from a complete range of activities in New Zealand and Australia including fly or deep fishing, diving, skiing, wilderness trails, golf tours, garden tours, outback safaris to name only a few. (Not all activities are available in all locations.)

Buying Power As the principal supplier of business to the luxury sector of the market Southern Crossings' buying power enables its clients to enjoy the most competitive prices for tailor-made experiences. Southern Crossings acts as an independent advocate for the ideal solution to all clients holiday requirements.
