Exotissimo Travel was formed in 1993. We are now the most established inbound tour operator in Southeast Asia and Indochina. Today we have 17 offices and over 500 full-time staff working from our destination based offices in Vietnam, Myanmar, Laos, Cambodia, Thailand, Indonesia and Japan. With this vast network, Exotissimo can offer personalized reservations and operations services for you and your clients before, during and after their travels.

Exotissimo provides the most unique and personal travel experience for your clients because we live in these countries and we share a passion for the region. We have intricate knowledge of this still relatively unexplored part of the world. Vietnam, Cambodia, Laos, Thailand, Myanmar, Indonesia and Japan are not places we have visited once or twice, or even a few times. We live here, we eat here, we work here! We love what we do. Our international and local staff work together to plan and deliver a tailored blend of travel experiences unique to the special needs of your clients.
